KEYWORTH V. WYSALL.—This match was played on Saturday last on the ground of the former, and resulted in an easy victory for the Keyworth eleven by an innings and 49 runs. The batting of Messrs. Thomas Tomlinson and Isaac Simpson, for Keyworth, and that of Mr. Chapman, for Wysall, was very creditable. The bowling of Messrs. John Pike and Isaac Simpson was very destructive, the former, out of 16.4 overs, bowled eight maidens, took ten wickets, with 17 runs obtained; the latter out of the same number of overs bowled eight maidens, took eight wickets, with 28 runs obtained. Mr. Price bowled in good style for Wysall. Appended is full score:

Local cricket matches were diligently reported during the Victorian period and this is an example taken from the Nottingham Daily Express issue published on 7 July 1876.

A home match for Keyworth CC playing against local rivals Wysall CC at the Bunny Lane ground on 1 July 1876.

KCC won the game by an innings and 49 runs.

The 31 year old John Pike was then at the peak of his long career, having been the first KCC player to be picked for Notts CCC Colts in 1871. His match figures read 16.4 overs, 8 maidens, 10 wickets for 17 runs whilst at the other end Isaac Simpson bowled 16 overs, 8 maidens, 8 wickets for 28 runs.

In these days the batsmen had a difficult time on the bowler friendly wickets !

KEYWORTH the first SOUTH NOTTS CHAMPIONS, in 1922

The Nottingham Daily Guardian reported that a SOUTH NOTTS LEAGUE was competed for in 1922. Sadly the league ran into financial and organisational problems, was not completed and not repeated in the 1923 season. However the last league table published on 21st August 1922 shows that Keyworth completed their games and their points total could not have been overtaken by any of the other clubs. In fact, they won with an unbeaten record, the only match they failed to win was against closest rivals Cotgrave CC when the match was abandoned due to rain.

Prominent players in the team were the brothers Thomas and Jack Armstrong, Harry Bolton, Ernest Davill, all bowlers who were more than useful with the bat and Edgar Pike an opening bat and wicket keeper. Davill had inherited the farm where the team played their home matches on Bunny Lane in 1920 following the death of his father William. Jack Armstrong had just completed his last season as a wing half for Nottingham Forest FC having signed for them back in 1905 and making a then record 461 appearances, many of them as captain. Thomas Armstrong and Bolton were regularly selected to play for Notts Colts and Notts Club & Ground selections, made up of the best amateur players in the County and Pike, the great grandfather of current player Stuart Meek had been playing for the club since 1899.

Cricket was played on a field at Greenhay's Farm from 1870 until the move to the Rectory Field in 1939.

Mrs Ethel Brewitt who lived in a cottage near Davill's (Greenhay's Farm) on Bunny Lane is pictured on the cricket field circa 1930 – the Pavilion looking less glamorous than in 1908, can be seen behind her left arm at the top of the field.
