Review of the Season:

In a promotion year for the 1st XI, statistics will portray that arguably this was the club's best ever batting team – four of the top ten highest team scores ever, more centuries and high individual scores in a season than ever before, by a big margin – one of the highest individual scores ever (Grant Parker), more sixes hit in a season than ever, including the most ever individual sixes in an innings (Grant Parker) and the most ever runs in a season by an individual (Ian Graham) – two of the highest batting partnerships ever, including the highest ever (Grant Parker & Ian Graham), 113 runs more than the second best partnership on record – set by Chris Ladd & Ian Graham in 2005 and the first ever Keyworth player to top a 1000 runs in a season (Ian Graham). A number of these records also established new South Nottinghamshire Cricket League records. Ian Graham topped off a great all round season by capturing 39 wickets, second only to Rob Baker who took 43 wickets, the latter's haul of 1st XI career wickets now standing at 411 and against Nottingham on 3 June he recorded his first hat trick.

Amassing 40 points more than the Division Champions, Kirkby Portland, the 1st XI lost the title on decimal points through the averaging system because the champions had three more matches abandoned. Ian Graham (pictured centre) picked up the Divisional Batting award and Rob Baker (pictured right) the Divisional Bowling Award.

The 2nd XI also came close to a promotional position and with an influx of younger players showed promise for 2007. Divisional Batting award winner Richard Drury (pictured left) was the main provider of runs, including a century and Chris Legge took the most wickets.

Trophies presented for the season included...

Frank Palmer Memorial Cup for Outstanding performance – Stuart Meek (pictured below)

Batting Trophy for the Best Average – Ian Graham

2nd XI Batting Trophy for the Best Average – Richard Drury
